MORE ABOUT THE PRODUCTS WE USE

BAWYKOV ZALM

SVH master chef Rien Heemskerk has developed a three-day process over the years to create the most delicious smoked salmon. From the secret spice blend to the special drying process; this salmon with the ASC certification gets all the time it needs to develop its flavor. Afterward, they go into the smokehouse not lying down but hanging at a low temperature. This results in a delightful subtle smoky flavor.

Top quality, responsible, and super fresh!

VANMENNO Bread

VanMenno bread is bread as it should be. The flour is a living material, untouched and with nothing added to it. That's why it's a little different every day! The bread is shaped by hand and baked on the stone floor of the oven.

Crispy crusts, impeccable structure, and a scent that makes your mouth water instantly.

LINDENHOFF FARM

Pigs that can roll in the mud, chickens picking up a worm, and cows in a herb-rich meadow. Lindenhoff works as naturally as possible! That's not only good for the animals and the earth, but you can also taste it in the products.

Lindenhoff is our supplier for the tastiest cheese, eggs, and meat.

CHEF'S CATCH TURBOT

While many fishermen are mainly interested in large specimens and throw the small turbot overboard, Chef's Catch gives the little ones a purpose. Perfect for one person! After the turbot is caught, it is immediately frozen. This method is called shock freezing. This way, the turbot retains the exact same texture and flavor as if you were eating it right on the boat. There's no fresher fish! Curious about the taste?

Turbot is our all-time favorite on the menu.

DYNAMITE COOKIES

Not on our menu for long, but already a favorite! Dynamite's chocolate chip cookies. Crunchy on the outside, chewy on the inside, and "There's no junk in the Dynamite dough to make them last longer", say Marieke and Marijntje, the bakers behind Dynamite.

Pure, local, and above all, delicious!

De Generaal

*The brown tables by the walls' embrace
The piano, blackened by the smoke's trace
They stand in silence, their gaze locked tight
Observing all that's scorned within this space*

*The newspapers often catch the sighs
Of guests recalling days gone by
Coffee, pastries, and fruits delight
Sometimes eyes seek a kiss, just shy*

*So it continues, evermore
And on the track, the trains do roar
Rumbling between the vines so ne
As they journey on the wine-filled line*

*So fade away the summer days
Winter creeps here like a tiny mouse
Here people come, seeking coffee's haze
Or the house's red wine, in a cozy house*

*So comes and goes the departing man
Passersby on horseback in their dreams
With a cane, while he still can
Here you know you're welcome, it seems*

*In this station, all is well and right
The days here never turn to night
The radiance of eternity is sweet
Even old age brings no complaint's heat*
